

Vacancy notice | Market Access Officer

Vacancy: Market Access Officer

Start date: February 2020

Location: Brussels, Belgium

Medicines for Europe is recruiting a Market Access Officer to be based at its office in Brussels.

Medicines for Europe represents pharmaceutical companies supplying the largest share of prescription medicines across Europe and is the voice of the generic, biosimilar and value added industries. As a leading partner for better healthcare, we aim to increase the health and wellbeing of all Europeans through better access to high quality medicines. Medicines for Europe members' portfolio cover 80% of therapy areas, and in so doing, safeguards the sustainability of Europe's healthcare systems for future generations.

The **Market Access Officer** will support Medicines for Europe in Market Access and Health Economics topics, across industry sector groups, supporting both internal and external engagements.

Key Tasks and Responsibilities

Reporting to the Market Access Manager, you will:

- Research and monitor market access policy developments across Europe.
- Research and monitor studies that related to or having an impact on European market developments.
- Develop policy papers / position papers related to market access policies for generic and biosimilar medicines.
- Represent Medicines for Europe in relation to stakeholders, officials, authorities, and other external parties.
- Draft agendas, minutes, reports, briefing and statistical notes.
- Support the activities of the Market Access department related committees and working groups.
- Contribute to the Medicines for Europe monthly Brief.
- Contribute to the development of communication and educational materials.
- Support the organisation of market access events (incl. sessions, workshops, conferences).

Requirements

- A university degree in economics, health economics and/or healthcare policy with knowledge of applied economics and pharmaceutical policy issues.
- Understanding of the European pharmaceutical market dynamics at national level.
- Fluency in English.
- Strong writing skills.
- Strong presentation skills.
- Comfortable working in a multi-cultural, international environment.
- Excellent communication, administrative and project management skills.

Desired skills

- Scientific understanding about pharmaceuticals.
- Quick and proactive learner.
- Proficiency in Microsoft Office applications such as Word, PowerPoint, Excel, and similar software.
- Knowledge of market information databases (e.g. *IQVIA MIDAS*®).
- Knowledge of databases holding relevant health data (e.g. OECD Data, Eurostat)
- Ability in other European languages.

How to apply: Please email your CV and cover letter (maximum one page) to Jocelyne Jados (jjados@medicinesforeurope.com) by Friday 31st January 2020, 17.00 CET

Contract: 1 Year, renewable

Location: Rue d'Arlon 50, 1000 Brussels, Belgium

Conditions: This is a full-time position. Salary commensurate with experience.

GDPR Compliance:

As a data subject, you have a number of rights. You can:

- access and obtain a copy of your data on request.
- require the association to change incorrect or incomplete data.
- require the association to delete or stop processing your data, for example where the data is no longer necessary for the purposes of processing.

Please note that we will keep your information in a secured server and If your application for employment is unsuccessful, the organisation will hold your data on file for 6 (six) months after the end of the relevant recruitment process. If you agree to allow us to keep your personal data on file, we will hold your data on file for a further 6 (six) months for consideration for future employment opportunities. At the end of that period, or once you withdraw your consent, your data is deleted or destroyed.
