## Medicines for Europe

---

**Medicines for Europe** is the official trade association for the European generic, biosimilar and value-added pharmaceutical industries, representing, supporting and developing our common scientific and technical interests within the European Union, Europe as a whole, as well as between the European Union and third countries.

## Why become a member

---

**Medicines for Europe** provides many benefits to its members. We represent the voice of our members at European level on all matters affecting our industries.

- Be part of a strong and united association
- Benefit from joint expertise and access to information
- Play your part in the sustainability and competitiveness of our industries
- Be fully informed on market access, regulatory and legal issues affecting us all
- Enhance your influence at European level
- Network with your peers
- Attend our many conferences and events at reduced member rates

## Join us

---

### Different membership categories available for:

- Companies – according to sales figures – also Affiliate and Partner
- Associations – according to level of representation – also Affiliate

### Medicines for Europe – Sector Groups

- Biosimilar Medicines Group
- Value Added Medicines Group

Membership of these sector groups is available for members of **Medicines for Europe**, on payment of an additional fee.

It is also possible to join these sector groups without being a member of **Medicines for Europe**.

## How to join

---

- Write to the **Medicines for Europe** Board at 50 rue d'Arlon, 1000 Brussels requesting membership, or email [info@medicinesforeurope.com](mailto:info@medicinesforeurope.com).
- Complete our questionnaire.
- Submit a copy of your company brochure and annual report or annual sales, or, in the case of an association, a copy of your statutes or by-laws and list of members.
- Your application will be assessed by the **Medicines for Europe** Executive Committee and then voted at the next Board meeting. Decision on membership usually takes 3-6 months upon receipt of the completed application and questionnaire.
