

# Market Access Officer

## What motivates you to work as Medicines for Europe's Market Access Officer?

---

Do you want to play an **important role in ensuring access to off-patent medicines in Europe?**

Are you familiar with the **pharmaceutical sector?**

Are Medicines for Europe's five pillars: **Patients • Quality • Value • Sustainability • Partnership** also your values?

If so, you might be our next **Market Access Officer**.

## Why work for Medicines for Europe?

---

- Since 1993, Medicines for Europe has represented **pharmaceutical companies** supplying the **largest share of prescription medicines** across Europe.
- They are the voice of the **generic, biosimilar and value added medicines industries**.
- Leading partner for political change at an EU level and hence **better healthcare**.
- Increasing the health and wellbeing of all Europeans through **better access** to high quality medicines.
- The portfolios of Medicines for Europe members cover **80%** of therapy areas.
- Safeguarding the **sustainability** of Europe's healthcare systems for future generations.

## Your role

---

The **Market Access Officer** is responsible for :

Supporting **Medicines for Europe** in **Market Access, Health Economics** and other relevant **health & pharmaceutical policy topics**, across **industry sector groups**, supporting both internal and external engagements.

Your **responsibilities** will include:

- **Monitoring and analysing** the latest **European market trends** and **impact of market access policy** developments across Europe.
  - Drawing up the response to **public consultations**, developing **position papers** and communications, **advocacy strategies** related to **market access policies for generic, biosimilar and value added medicines**.
  - Managing the activities of the **Market Access related committees and working groups** including drafting the agenda, minutes, reports and briefing notes.
  - Supporting the organisation of **conferences** and the **programme development of a range of advocacy & outreach events**.
  - **Providing feedback to the Steering Group, Executive and Board** on the market related issues, as appropriate.
  - Liaising with and providing support to **other Medicines for Europe Sector Groups, Committees and Working Groups** on horizontal issues.
  - **Supporting engagement of Medicines for Europe with different stakeholders;** officials, authorities, and other external parties.
  - **Contributing to the development** of communications and educational materials.
-

## Your profile

---

- A **Master's degree** in life sciences (pharmaceutical sciences or other health relevant studies), health economics or healthcare policy.
- Minimum 1 year of **experience in European health/pharmaceutical policy**.
- Understanding of the **European pharmaceutical framework, market dynamics and policies at national level**.
- Knowledge of databases holding relevant health data is an advantage (e.g. **OECD Data, Eurostat, IQVIA MIDAS®**).
- Proficiency in **English** (both written and spoken).
- Proficiency in **Microsoft Office** applications such as Word, PowerPoint, Excel, and similar software.
- Excellent **organisational and project management skills**, with a **problem-solving mindset**.
- A **proactive** approach, **quick learner** with a **politically savvy mind**.
- Ability to **think strategically and to turn complex ideas into clear messages**.
- **Strong communicator**, with excellent writing and presentation skills.
- Comfortable working in a **multi-cultural, international environment**.

## Offer

---

- **Competitive Salary** + Meal vouchers (8€), Net remote work allowance, Hospitalisation insurance and Pension fund.
- Up to **2 days teleworking/week**.
- The possibility to **represent a dynamic European industry** and interact with diverse stakeholders.
- **European travel** up to 20% of the year
- The opportunity to take **ownership** and have **impact** as well as being part of a **motivated and multicultural team**.

## Hiring process

---
