

Junior Market & Access Policy Officer

Why would YOU be inspired to become Medicines for Europe's Market & Access Policy Officer?

*Do you want to play an **important role in ensuring access to off-patent medicines in Europe?***

*Are you familiar with the **pharmaceutical sector?***

*Are Medicines for Europe's five pillars: **Patients • Quality • Value • Sustainability • Partnership** also your values?*

*If so, you might be our next **Market & Access Policy Officer.***

Why work for Medicines for Europe?

- Since 1993, Medicines for Europe has represented **pharmaceutical companies** supplying the **largest share of prescription medicines** across Europe.
- They are the voice of the **generic, biosimilar and value added medicines industries.**
- Leading partner for political change at an EU level and hence **better healthcare.**
- Increasing the health and wellbeing of all Europeans through **better access** to high quality medicines.
- The portfolios of Medicines for Europe members cover **80%** of therapy areas.
- Safeguarding the **sustainability** of Europe's healthcare systems for future generations.
